

Economic Development Committee Update

July 2022

- 1. CROSSWALK AND SIGNAL BOX ART:** At the June meeting, it was decided that due to DelDOT's concern about some of our designs, it was decided to change the box utilizing all the Apple Scrapple logos and have a general design depicting the local farm community. We are awaiting changes from the design company. If the current company's designs do not satisfy us, as we are near the expiration of their quote and free art work, we will consider working with the same company that did the new town logo.
- 2. FARM TO TABLE EVENT:** At our June meeting we had two representatives from Woodbridge high school to talk about Farm to Table events. They presented their ideas on how we could work together and after some discussion, it was decided that Woodbridge would be the organizers with the help and sponsorship from the EDC where possible. Tentative timeframe is September. Mike Szczechura volunteered to be the contact point for the EDC. They will be looking for a venue to have the event and then contacting local farmers and restaurants for their participation. The vision is to have a plated event using local produce and local restaurants helping to prepare the food.
- 3. EDC MEMBERS:** The committee is still in desperate need of new members and welcomes any names the commission can suggest.

Richard Grinnell
